Dhirubhai Ambani Institute of Information and Communication Technology

EL114

Digital Logic Design

Dr. Yash Agrawal
Assistant Professor,
DA-IICT, Gandhinagar

Analog to Digital (A/D) & Digital to Analog (D/A) Converters

Analog to Digital (A/D) & Digital to Analog (D/A) Converters

# Finite State Machine (FSM)

Microprocessor & Microcontroller
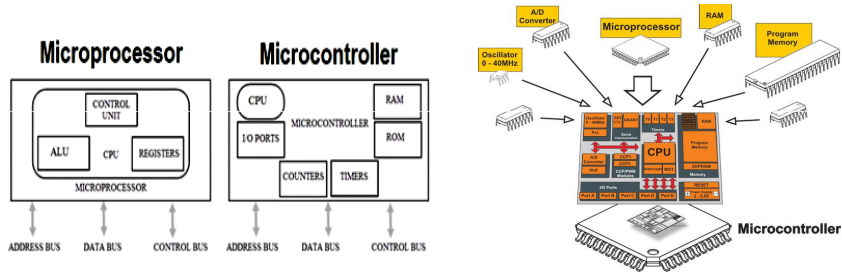

Computing System Designing

Computing System Designing

Processor: Data Path Components

Testing

Hardware Description Language (HDL)
